2017 Membership Information

COLTS

Colts Audition Process

We select members who exhibit talent, enthusiasm, responsibility, growth and commitment.

Students currently in grade 9 through age 21 are eligible to audition. *(If you turn 22 on or after June 1, you are eligible for this season.)* Many members are from Iowa and throughout Midwest, but many are from other states and even overseas. **We have had members from nearly every state as well as England, Japan, The Netherlands, Canada, Australia, Germany and Taiwan!**

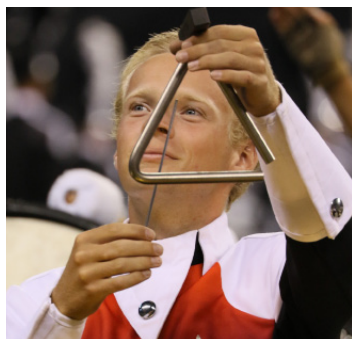

Our member return rate is generally as high or higher than other drum corps. This is an important endorsement of the Colts experience. All positions are open and will be awarded to those who demonstrate a strong desire to be successful here.

Start your journey toward Colts membership at one of our November rehearsal weekends. This is your best chance to earn a position as you will learn valuable information on which to build for future camps. If you have an unavoidable conflict, you can attend the December camp to audition. *(After December, contact the caption head in your section to inquire about available openings.)*

After your first rehearsal, you will most likely receive a “recall” to a second audition so we can observe your growth and commitment. At times, you may be asked to attend more than two rehearsals before you are given a decision about your membership so we can monitor your progress.

Your talent and skills are given primary consideration in the selection process, but we also consider your commitment level, communication, financial responsibility, attitude, parental support, and your growth and improvement.

Some of your best friends are here; you just haven't met them yet!

SECTIONS WITHIN THE DRUM CORPS

Brass Members

Brass players should be familiar with the exercise packet that best fits your interest: **Audition exercises will be sent to you following your submission of an information request: www.colts.org/info.cfm** Be prepared to audition using these exercises. However, you may also demonstrate your abilities with any piece, etude or excerpt you feel comfortable with. Other options are anything you've been working on for contest, as well as your state's all-state band/orchestra audition material.

If possible, please bring your own marching brass instrument to camps.

If you need an instrument provided, please contact colts@colts.org in advance of the rehearsal. **New Yamaha instruments are provided for summer.** We replace most of our instruments every year but many don't arrive until later in the spring. Brass members may be asked to purchase a mouthpiece to our specifications.

The Colts brass ensemble will be comprised of the following members:

Trumpet: 20-26

We play Xeno, professional-level trumpets

Mellophone: 12-16

Similar to French horn or flugelhorn

Baritone/Euphonium: 20-24

Similar to concert baritone or euphonium

Tuba: 12-16

Bell front tubas, carried on the shoulder, with a large bore (regular tuba mouthpiece)

Percussion Members

Percussionists should be familiar with the exercise packet that best fits your interest: **Audition exercises will be sent to you following your submission of an information request: www.colts.org/info.cfm** Snare, tenor, and front ensemble students should prepare a short solo (1-2 minutes) for your audition as well as the packet exercises. Cymbals should prepare a short musical and visual phrase of your choice. We will provide all instruments for camps. We ask that you provide your own sticks and/or mallets as well as a practice pad. We will evaluate you individually, and as a part of the group.

We play Yamaha percussion, and use Innovative Percussion sticks and mallets, Remo heads, Sabian cymbals, and TreeWorks wind chimes. *We are gracious for the endorsement of these companies.*

The percussion section consists of these battery and front ensemble sections:

Snare: 7-9

We primarily use traditional grip

Tenor: 4-5

Set of six multi-toms

Bass: 5

Independent pitched parts throughout

Cymbals: 4-6

Marching cymbal section with individual parts

Front Ensemble: 12-16

All types of keyboards, melodic and auxiliary percussion, and many unique instruments, sounds and electronics, including synthesizers.

Color Guard Members

Please bring lightweight workout clothing for rehearsals (*no jeans!*), black pants or shorts and a black tshirt for Sunday's performance, your own rifle/sabre (if you can), and knee pads (if you like). No need to purchase special equipment for rehearsals.

The Colts color guard will include 36-40 men and women, using flags, rifles, sabres, and dance to visually interpret and enhance the show. New flags and uniforms are provided each year to fit the style and theme of the program.

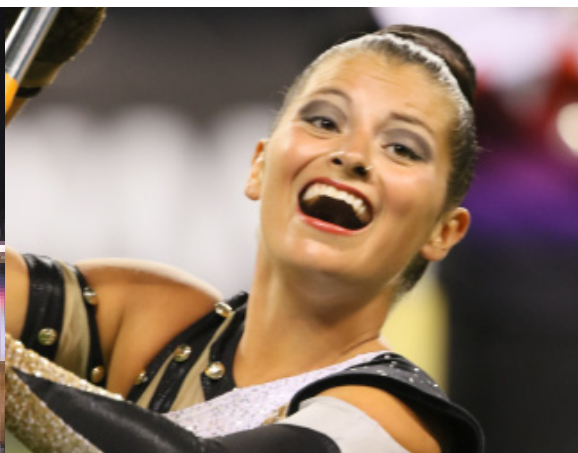

Drum Majors

The Colts select drum majors from returning members. Besides being field conductors, our drum majors serve a leadership role on and off the field.

The Colts organization celebrated its 50th Anniversary in 2013. We remain one of only three groups in DCI to sponsor a second competing corps (Colt Cadets).

Cost Of Membership

Member fees only cover a portion of the costs to operate a world class drum corps.

You will find Colts fees compare favorably to quality summer music camps, and to other top corps. We keep membership fees as low as we can with extensive community fundraising, and through careful and efficient operations.

A sponsorship program is available in which you can raise some or all of your fees. Additional information is given in your contract packet and is on the website. Payment plans can be arranged in special circumstances.

Move In For Summer

The Summer

We will be in session for 79 days, and will travel over 11,000 miles, perform 40 times in 20 states for over 200,000 people.

Preseason Tour (Spring Training): *May 26 through June 23*

Members move in for summer the Friday before Memorial Day. [You need to complete your school obligations first.] Our first summer performance takes place in downtown Dubuque on Memorial Day. Preseason Tour includes housing stops and exhibitions around the tri-state area, and includes our annual car wash on Saturday, June 10th. We use the Preseason Tour to learn the show and learn how to tour. Get here as soon as you can after your school is dismissed.

Competition Tour: *June 24 through August 12*

The early season tour includes contests and performances throughout the United States, as well as Colts-sponsored "home" shows in Dubuque, Des Moines and Kansas City. We do Independence Day parades on July 4th.

Beginning in mid-July, DCI Focus Shows are every Saturday, including San Antonio, TX; Atlanta, GA; and Allentown, PA. The season concludes August 10-12 with the DCI World Championships in Indianapolis, IN.

We will return to Dubuque on Sunday, August 13. Many members will fly home from Indianapolis. *Schedule a return flight after 6:00 a.m. on Sunday morning. We will drop you at the Indianapolis airport.*

Transportation

How do I get to Dubuque from here?

Many members drive to camp from as close as down the street or as far away as Texas. We may be able to help you coordinate a car pool. **Let us know on the RSVP** if you need a ride or can offer one. Trailways Bus Lines is another option.

We are here to help!

Dubuque (Airport Code: DBQ) is serviced by American Airlines. Try to book all the way into Dubuque, but you can often find reasonable fares into Moline (MLI), Cedar Rapids (CID), or Madison (MSN) airports, and all are quite accessible for pick-ups. O'Hare (ORD) and Midway (MDW) in Chicago are also possibilities.

CONTACT US FIRST **BEFORE** YOU BOOK AN AIRPORT OTHER THAN DUBUQUE.

Still don't know how to be here?
There is a way! Call the Colts office or email: colts@colts.org

At the Colts, you will find a supportive family atmosphere committed to your excellence, success and achievement.

Please share this information with your parents and invite them to attend the weekend rehearsal!

Parents Invited...Needed!

We expect parents to have lots of questions and the best way to get the information you need is to attend a weekend. Parent information sessions are held Friday night at 10:00 p.m. in November, December and January. **Parental attendance is strongly encouraged**, especially if this is your member's first year. Volunteerism and parental involvement are cherished in the Colts and are critical to our success.

The Colts prosper due to the tremendous support from many parents and friends who donate their time and talents. Your help is appreciated during any weekend rehearsal...for any number of important tasks! In any given season, **over 15,000 hours of volunteer time is contributed**; especially important is the 7,000+ hours to run the kitchen truck on tour. More than 50 parents help out on tour every summer.

Weekend rehearsals are a parent's opportunity to see our program up close and get to know the people who make it work. Your help is needed in the kitchen with meals for the weekend, work sessions in the Colts Center, uniform fitting, mailings, clerical help, sewing, or any number of special projects.

The Big Picture

Youth Programs

Colts-sponsored programs now serve over 320 young people in grade 3 through age 21 in the Colts, Colt Cadets, Colts Summer Band, and PanrhythmiX and Pandemonium Steel Drum Ensembles, and we partner with Dubuque area music programs, Dubuque Senior High Color Guard, and Prescott Elementary School.

These programs, coupled with our philosophy of community, members and family first, are the reasons we have the largest base of local membership and support in DCI.

Colt Cadets

The Colt Cadets are for youth ages 12-18 with about two-thirds each year coming from the tri-state area. **The Colt Cadets were formed in 1967** and are one of only three remaining cadet corps in the activity. Many Colts members get their start in drum corps in the Colt Cadets.

The Colt Cadets participate in **DCI Open Class** competition. They were honored as the Most Improved corps in 2006. In 2010, they reached Open Class Finals at the DCI Championships for the first time in their history, and remained among the Top 12 through 2015.

Corporate Structure

Two non-profit corporations operate the Colts Youth Organization: The Colts Booster Club runs local fundraising events including our annual car wash. The booster club also provides many volunteers for our “home” show, Music On The March. A volunteer board of directors governs this group.

The Colts Youth Organization is a 501(c)3 not-for-profit corporation that is governed by volunteer board members who hire a full-time executive director to manage the organization, and are responsible for the oversight, planning, finances and vision of the Colts. **Contributions to the Colts are tax-deductible**, and we are exempt from federal and state income taxes.

The Colts organization recently moved operations to an 11,000 square foot office and warehouse located in an area of Dubuque known as Key West. The building is just minutes from the Dubuque Regional Airport just off U.S. Highway 61.

History & Philosophy

Since 1963, *we have used music and excellence* to shape thousands of members; teaching skills and providing experiences that contribute to their success in life. The Colts have been DCI finalists eight

times, and have placed in the Top 25 for 34 years in a row. The Colts are 41-year members of Drum Corps International.

A key facet of our success is our committed teaching, design and support staff. Combined with tremendous support from our community and volunteers, the Colts continue to grow and succeed.

You will learn that to be truly successful, you must meet your own standards, and you will be the most demanding judge you ever encounter. **You will find you are capable of so much more than you ever realized.**

We'll help you set and achieve goals, and create new standards and expectations for yourself that will last a lifetime. We will give you a chance to discover who you truly are.

You will come away from a summer with Colts more mature, motivated and self-confident, with new, lifelong friends.
